2002

Flexible, adjustable headrest.

Height adjustment at the push of a foot.

Central braking system effective on all four wheels.

Color black.

Built ultra-tough, the 2002 can handle difficult tasks in the OR with ease and complete reliability. The 2002, like its bigger brother the 400 XL, is manual-hydraulic and is not dependent on the use of batteries. This alternative brings down costs in your OR without sacrificing usability.
