

assistTrend

Item No.: 2500 0002

The ergonomic assistant chair.
The innovation for a healthy back.

Chassis

- High-grade 5-arm aluminium pedestal
- Excellent handling characteristics thanks to smooth-running double castors
- Optionally available with braking double castors
- Supports loads up to 130 kilograms

Seating system

Dynamic seat

- Innovative seating system Dynamic for a healthy lower back
- Supports a correct, back-friendly sitting posture
- Reduces neck and back tension caused by prolonged sitting
- Durable, easy-care seat cover made of medical-grade artificial leather
- Height and angle adjustable lumbar support

Flexibility

The seating system Dynamic has a lumbar support which is activated automatically by the surgeon's bodyweight.
