ENJOY QUALITY AND DESIGN

# supportLine

Item No.: 3351 0026

The *supportLine* mobile instrument table is designed to be an ergonomic aid to supplement treatment and surgeon's chairs.

**The smart helper  
for your OR**

## The perfect addition for your OR

### Pneumatic spring technology/foot pedal

The integrated pneumatic spring technology enables the instrument tray to be stopped gently and positioned at the right working height for the surgeon. The stepless height adjustment is triggered by the foot pedal.

### Chassis/chassis cover

The *supportLine*'s maneuverability, optimised stability and resistance to tipping, its stainless steel design for the user's operating area and its hard-wearing, hygienic surfaces are designed specifically for versatile use in the operating room.

## Tray

The removable, high-quality stainless steel tray is heat-resistant, easy to clean and disinfect and offers plenty of space for holding surgical instruments with an area of 65 x 53 cm.

## Technical specifications

### Chassis

- Footprint 680 x 400 mm
- 4 castors (electrically conductive, 2 x brakeable)  $\varnothing$  52 mm

### Lifting column

- Height adjustment 730 – 1,000 mm

**Stainless steel tray** 650 x 530 mm

**Upper frame** 740 x 540 mm

**Weight** 17,5 kg

**Max. load** 10 kg

Subject to technical modifications.

## Push handle/double castors

The wide push handle and the four maneuverable and electrically conductive double castors make the *supportLine* easy to maneuver and brake.

**WITH PRODUCT UPGRADE**

**Electrically conductive** and **brakeable** double castors for greater safety.
